Subject: Recommendation for Approval of a Designated Purchase under Contract No. 9141-3/14-3,
Temporary Health Professional Services

Recommendation

It is recommended that the Board of County Commissioners (Board) approve this request for a designated purchase under *Contract No. 9141-3/14-3, Temporary Health Professional Services* for the Public Housing and Community Development and the Community Action and Human Services departments. Approval of a designated purchase is being requested, pursuant to Section 2-8.1(b)(3) of the Miami-Dade County Code, to authorize the extension of the current contract term, which expires on September 30, 2015, by six (6) months and increase the expenditure authority by \$1,026,000 to ensure continuity of services while the long-term replacement contract is solicited and evaluated.

The temporary health professionals deliver care and treatment services to individuals with disabilities, veterans and senior citizens at various County facilities. It is anticipated that an award recommendation for the replacement contract will be presented to the Board for approval in January 2016. This contract was competitively established in March 2010 through Resolution No. R-225-10 for two (2) years with three (3), one-year options to renew for temporary professional healthcare staffing services to the County. The method of award under the contract was to two (2) responsive and responsible bidders offering the lowest price (hourly billing rate) per group. The contract has five (5) groups, each group representing specific job classifications (e.g., certified nursing assistants, registered nurses, social workers, licensed practical nurses, home care aides and medical doctors) per department.

The current contract term was previously extended administratively by six (6) months under the County Mayor's delegated authority. This procurement is presented for Board approval as a designated purchase because the Administration has exhausted its authority to further extend the contract and competition is not practicable as the replacement solicitation has not been finalized. Accordingly, it is in the best interest of the County to authorize this designated purchase to assure the continued delivery of critical healthcare services to County residents.

Scope

The impact of this item is countywide in nature.

Fiscal Impact/Funding Source

The contract is in its third option to renew year and has an existing allocation of \$3,078,000 for the current option to renew period. The additional time requested will extend the contract's expiration date by six (6) months from September 30, 2015 to March 31, 2016. The requested additional allocation of \$1,026,000 is based on anticipated usage and estimated needs and, if approved, results in a modified contract allocation for the current option to renew period of \$4,104,000 as shown on the following page.

Department	Existing Allocation for Current Option to Renew Period	Additional Allocation Requested	Modified Allocation	Funding Source	Contract Manager
Community Action and Human Services	\$1,005,000	\$335,000	\$1,340,000	Federal and State Funds	Richard Signori
Public Housing and Community Development	2,073,000	691,000	2,764,000	Federal Funds	Indira Rajkumar-Futch
Total:	\$3,078,000	\$1,026,000	\$4,104,000
